My Friend Jesus

A BOOK FOR LIFE

HOW CAN I BE MORE LIKE MY FRIEND JESUS?

BE MORE LIKE MY FRIEND JESUS!

TAKE A LOOK INSIDE FOR SOME GREAT IDEAS!

My Friend Jesus is an exciting Years K-2 introduction to **MJR (Make Jesus Real)**, the original resource book written by Peter 'Mitch' Mitchell. It is based on **three** easy-to-understand rhyming stories (appropriately levelled for Prep/Foundation, Year 1 and Year 2) that teachers and students will keep coming back to over and over again. The books are supported by engaging journalling pages and activities that will captivate the students as they begin their school based faith journey.

Some of the highlights include:

- Discovering who my friend Jesus is and why it's important to follow in his footsteps.
- Ways in which we can be more like my friend Jesus, like being positive, having a good attitude, dealing with problems, being a giver and the importance of teamwork.
- Learning to live the **MJR** way through seeing my friend Jesus in nature and in others around us.

My Friend Jesus is an inspiring resource that will be read again and again by students and teachers and it links wonderfully with the **MJR** resource books **The Spirit of Jesus** (Years 3 & 4) and **Make Jesus Real** (Years 5 & 6).

"Having seen Liz in action at the inaugural 2017 MJR National Conference, I am thrilled to see she has worked with the Garratt Publishing team to produce *My Friend Jesus*. Her clever rhyming and inspiring, engaging message will positively 'infect' all those who read this beautiful resource."
